"Kevin had an amazing summer camp experience. He made many new friends...went to new places that he never thought he will visit...tried new things for the first time like building a raft...he had so much fun. The counselors are great, supportive, fun to be with. My son...even said to me that he would someday want to become a counselor."

Spring, 2019

Dear :

Last summer, 66 Wellesley boys and girls were able to enjoy day camp or an educational enrichment program, mainly because of the generosity of Wellesley residents, businesses and organizations who have contributed to Wellesley Friendly Aid's Camp Fund. Without Camp Fund assistance, it would have been impossible for them to attend these programs because their families lack the necessary resources to fund camp tuition. Summer camp provides these children with new experiences in a productive and secure environment, and it builds friendships within the Wellesley school community.

Our goal this year is to raise \$65,000. Achieving that goal in 2019 will enable us to assist every eligible child. With the continuing support from all those who have helped us in the past, we can again make summer joyful and constructive for many Wellesley children in need.

Will you help to make this program a success again this year? As with the last four years, a generous anonymous donor has offered to match contributions, up to a total of \$10,000.

Join with other Wellesley neighbors to help us maintain the Camp Program with your tax-deductible contribution. Please donate today either by completing and mailing us the enclosed reply card together with your check, or by visiting us online to make a contribution by PayPal at www.wellesleyfriendlyaid.org. Your gift by May 1, when we begin paying Camp Fund bills, would be much appreciated.

You will have our gratitude and that of the children and families you help.

Sincerely,

Deborah Cogill
President
